C/A No: 3:13-73-CMC

**DEFENDANT’S MOTION IN LIMINE  
TO EXCLUDE EVIDENCE  
RELATING TO INVESTIGATIONS  
BY UNITED STATES AGENCIES**

**TO: CHARLES BROOKS, ESQUIRE, ATTORNEY FOR PLAINTIFF:**

Following completion of drafting the originally filed Motions in Limine, the Defendants realized the need for an additional Motion in Limine. Accordingly, Defendants hereby move this Court in limine for an Order excluding the following evidence from the trial in this action:

To exclude any and all evidence and testimony relating to any investigation of the incident alleged in the Complaint by the Federal Bureau of Investigation or other United States agencies. During the course of this litigation, the Plaintiff has claimed that the incident alleged in the Complaint was investigated by the Federal Bureau of Investigations (“F.B.I.”). There has been no evidence produced or discovered to substantiate that any investigation by the F.B.I or other United States Agencies was actually conducted. Any evidence or testimony relating to alleged investigation by the F.B.I or other United States Agencies are unsubstantiated, inadmissible hearsay, irrelevant, unduly prejudicial, and self-serving. Defendants rely upon Rules 401, 402, 403, 801, and 802 of the Federal Rules of Evidence in support of this Motion.
